

Applicant(s): David Schuttler et al.
U.S.S.N.: 10/763,811

REMARKS

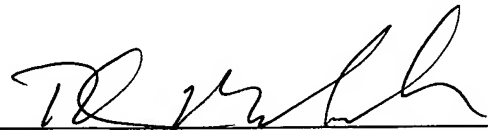

In response to the Final Office Action mailed July 26, 2005, Applicants respectfully request reconsideration and withdrawal of the Final Office Action. As discussed with Examiner Nguyen shortly after issuance of the Office Action, and again on November 17, 2005, the substantive portion of the Office Action appears to be directed to a different application than the above-identified application.

Applicants also request that the deposit account of Applicant's Attorney, Account No. 50/2762, Ref. No. A2000-701319, be credited with the fee for the petition for one month's extension of time submitted with this response, since the Final Office Action appears to have been incorrectly associated with the present application.

CONCLUSION

As discussed in Applicant's response filed on May 9th, 2005, the application is believed to be in allowable condition, and a notice to that effect is respectfully requested. If the Examiner has any questions regarding this application, he is invited to contact the Applicant's attorney at the number provided below.

Respectfully submitted,
